ESR E-Learning Courses

A number of **e-learning courses** (outside of Mandatory & Statutory training) are available to you free of charge via ESR. Just log into your **ESR account**, click on **My Learning** *(down the left-hand side of the page)* and then click on the **Course Catalogue** *(at the top of the page)*. You will then be presented with a number of categories. Just click on any of the headings *(although the headings listed below appear most useful)* to view the courses on offer but be aware that some of the courses are lengthy e.g. 6 hours whilst others are quite short e.g. 40 minutes in duration.

- **Occupational Knowledge & Skills** (this includes **Management & Leadership**)
- **Personal Development**

You are advised to read through the course description before enrolling. You will also need to obtain approval from your line manager to undertake these during your contracted hours.

To enrol on a course, click on the course title, then click on this again before clicking on the **'Enrol' button** *(on the right-hand side of the screen)*.

To note, as these courses have not been created by the CCG's OD Team we do not control the content but you are welcome to email Julie Fellows, OD Manager (julie.fellows2@nhs.net) with any feedback.
