

Quality & Business Improvement Courses/Resources

The following are quality & business improvement courses/resources that are available to you:

NHS Improvement Fundamentals Programme

Are you:

- > Working in, or with, health or social care?
- > Enthusiastic about making things work better in your local service?
- > Keen to put your improvement ideas into practice, but not sure how?
- > Eager to hear from colleagues across the country with the same concerns?
- > Looking for free, bite-sized quality improvement training that you can access at your desk or on the go?

If so, this programme could be for you.

Improvement Fundamentals is a programme of **online, self-directed mini-courses** in quality improvement (QI) for those involved in health or social care services

[Click here](#) for more information including programme dates

Leading Large Scale Change - to access a **practical guide, webinars and masterclasses** [click here](#)

The Change Model Framework - to access the **framework, a guide, diagnostic tools and other supporting documents** [click here](#)

The Sustainable Improvement Impact Framework - to watch a short film about this [click here](#) or to access the framework [click here](#)

The Source4network On-line Platform - for more information [click here](#)

This platform provides an easy way to keep up-to-date with **best practice, case studies, methodology, and access to network development tools**, to be a part of a thriving community of network leaders from across the health and care system. The platform is also comprehensive and evidence-based aims to enable network leaders to undertake comprehensive diagnosis of the effectiveness and impact of their networks

The Quality, Service Improvement & Resign (QSIR) Course & Associated Tools

If you are interested in undertaking **the QSIR course which consists of 5 modules/study days** please contact Julie Fellows for more information (see contact details below)

[Click here](#) to access a short film about QSIR or to access the **QSIR tools** [click here](#)

Lean Organisation Management Techniques Course and/or Business Improvement Techniques Course

The above are **free** VRQs @ Level 2 that are available to you (these are completed over a 6 week period)

Just [click here](#) for more information

If you require any more information about any of these offers email **Julie Fellows, OD Manager** (Julie.fellows2@nhs.net)
