Dear Requestor

RE: Freedom of Information Request

With reference to your request for information I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we partially hold the information that you have requested. A response to each part of your request is below.

In the request you asked:

1. For each calendar month between (and including) December 2020 and May 2021, please provide a breakdown, by ethnicity, of the number of people in the Clinical Commissioning Group (CCG) area who have been contacted by their GP or the NHS to receive a COVID-19 vaccine.

NHS Nottingham and Nottinghamshire Clinical Commissioning Group do not hold this information. It is held by individual GP Practices, a list of our GP practices and how to contact them can be found on CCG's website [Member practices - NHS Nottingham and Nottinghamshire CCG \(nottscg.nhs.uk\)](#).

The information of residents who have had their vaccine by Ethnicity and Region is available on the NHS England's website in the COVID-19 weekly announced vaccinations, link below.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Clinical Commissioning Group have an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Associate Director of Governance via lucy.branson@nhs.net or by writing to NHS Nottingham and Nottinghamshire CCG, Sir John Robinson House, Sir John Robinson Way, Arnold, Nottingham, NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office, who will consider whether the organisation has complied with its obligations under the Act, and can require the organisation to remedy any problems.
