Dear Requestor

RE: Freedom of Information Request

With reference to your request for information I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information that you have requested. A response to each part of your request is below.

In the request you asked:

In relation to last financial year (20/21) could you please provide me with information relating to the first 20 occasions in which you sanctioned the use of a patient's Personal Health Budget (PHB) to be spent on something that was NOT for the provision of care, medicine, or transport to a place where care or medicine was provided?

1. For each of these 20 occasions please state (i) what the money was spent on and (ii) how much money was spent on it and (iii) the outcome the patient was working towards as a result of this spend.

Note: What I am after is any capital expenditure which is not immediately apparent as of a medical purpose. So a specialist bed would be medical and I would not want to know about it, but a large screen television for a patient with vision problems would be something that I am interested in, as somebody not familiar with the case would not be able to tell that the set had been bought because of the patient's vision problems. The request covers PHBs for both adults and children.

During 2020/21 the CCG has a record of one case whereby a Personal Health Budget (PHB) was '*spent on something that was not for the provision of care, medicine, or transport*':

- i. Part of the budget was allocated to support fitness and wellbeing within the home environment through purchasing exercise equipment
- ii. This equated to a total of £860 spend
- iii. The outcome of this spend was to support general fitness and wellbeing within the home environment to compliment a physiotherapy plan

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Clinical Commissioning Group have an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Associate Director of Governance via lucy.branson@nhs.net or by writing to NHS Nottingham and Nottinghamshire CCG, Sir John Robinson House, Sir John Robinson Way, Arnold, Nottingham, NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office, who will consider whether the organisation has complied with its obligations under the Act, and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire Clinical Commissioning Group. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>
