Dear Requestor

RE: Freedom of Information Request

With reference to your request for information I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we partially hold the information that you have requested. A response to each part of your request is below.

Please note that both NHS Nottingham and Nottinghamshire, and Bassetlaw Clinical Commissioning Groups ceased operation on 30 June 2022. They have been superseded by NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) which began operation on 1 July 2022.

In the request you asked:

Please could you tell me how long children and young people are waiting for treatment with mental health services under your CCG.

There are a number of providers of mental health services for children and young people in Nottingham and Nottinghamshire. The average waiting times for services are:

ABL Health are the providers of a service named Be U Notts, which delivers Children & Young People's Emotional Wellbeing Early Support, Training and Consultation Service for NHS Nottingham & Nottinghamshire ICB.

This is a service for Children and Young People with *Low to Mild* emotional well-being and mental health needs. In quarter 1, the average wait between an assessment and first access to treatment was 5 weeks

CAMHS (both Nottinghamshire County Council and Nottingham City Council) are tier two providers of emotional well-being and mental health needs, for those children and young people with *Mild to Moderate* emotional well-being and mental health needs. In quarter 1, the average wait between an assessment and first access to treatment was 12.7 weeks (City) and 12.8 weeks (County).

Overall, during quarter 1 of the financial year 2022/23, the average wait time between initial assessment and first access to treatment was 10.16 weeks.

If you could possibly tell me the longest wait and the average wait between an assessment and first access to treatment.

Nottingham and Nottinghamshire ICB do not hold the information in relation to the longest wait times.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) have an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Associate Director of Governance via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>

Complaints to the Information Commissioner's Office should be sent to:
