Dear Requestor

RE: Freedom of Information Request

With reference to your request for information I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information that you have requested. A response to your request is below.

In the request you asked:

Please advise if this ICB will be making the decisions for any changes relating to the formulary for blood glucose meters and test strips.

Nottingham and Nottinghamshire (excluding Bassetlaw)

Yes. We are currently working on the BGTS formulary with an aim to take it to Area Prescribing Committee in January 2023.

Bassetlaw Place-Based Partnership

No. GP Practices in Bassetlaw have determined collectively what their choices are with regards Blood Glucose Monitoring. It is intended that this will be discussed with them collectively in March/April 2023, to align with the expiry date on the current document.

Please provide the name, email address and telephone number of the department or person(s) who will be making the decisions for any changes relating to the formulary for blood glucose meters and test strips.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) have an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Associate Director of Governance via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham, NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>

Yours sincerely

Freedom of Information (FOI) Officer on behalf of *NHS Nottingham and Nottinghamshire Integrated Care Board*
