Dear Requestor

RE: Freedom of Information Request

With reference to your request for information I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information that you have requested. A response to each part of your request is below and attached.

Please note that both NHS Nottingham and Nottinghamshire, and Bassetlaw Clinical Commissioning Groups ceased operation on 30 June 2022. They have been superseded by NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) which began operation on 1 July 2022.

In question 1, you asked if the ICS has a Cyber Security Plan. Whilst we do have this document, we are issuing a refusal notice based on the view that security information must not be released into the public domain as this would increase the risk of attack on us as a service.

Maintenance of security is a qualified exemption, and therefore the public interest test must be applied.

This FOI request is exempt under Section 31(1). Information is exempt if its disclosure under this Act would, or would be likely to, prejudice - (a) the prevention or detection of crime. It could be used to withhold information that would make anyone, including the public authority itself, more vulnerable to crime for example, by disclosing its own security procedures and it is the view of this organisation that the disclosure of the requested information would prejudice our ability to resist cyber-attacks on our systems.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) have an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Associate Director of Governance via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham, NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>

Yours sincerely

Freedom of Information (FOI) Officer on behalf of *NHS Nottingham and Nottinghamshire Integrated Care Board*
