Dear Requestor

RE: Freedom of Information Request

With reference to your request for information I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we partially hold the information that you have requested. A response to each part of your request is below.

In the request you asked:

1. Provide the end dates and details for all current NHS 111 contracts within your geography? (including contracts that sit across ICS boundaries)

This information is publicly available on our contracts register which is available on the 'Provider Selection and Contracts Award' page of our website - <https://notts.icb.nhs.uk/about-us/what-we-spend-and-how-we-spend-it/procurement/>.

2. Provide the name of your current provider.

This information is publicly available on our contracts register which is available on the 'Provider Selection and Contracts Award' page of our website - <https://notts.icb.nhs.uk/about-us/what-we-spend-and-how-we-spend-it/procurement/>.

3. If there is an option to extend the contract, has it been triggered and if so when does it end?

No further option to extend the contract.

4. Provide the estimated procurement announcements dates for renewal of the contracts above?

Nottingham and Nottinghamshire ICB does not hold this information. The lead ICB for the NHS 111 contract is Derby and Derbyshire ICB; they can be contacted via ddicb.foi@nhs.net.

5. Provide the name and email address for the NHS procurement manager responsible for each contract.

The Associate Director of Procurement & Commercial Development for Nottingham and Nottinghamshire ICB is neil.moore6@nhs.net.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) have an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Associate Director of Governance via lucy.branson@nhs.net or by writing to FOI Team at NHS

Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham, NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>

Yours sincerely

Freedom of Information (FOI) Officer on behalf of *NHS Nottingham and Nottinghamshire Integrated Care Board*
