Dear Requestor

**RE: Freedom of Information Request**

With reference to your request for information I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do not hold the information that you have requested. A response to your request is below.

In the request you asked:

1. Is there a named person/position within the ICB with the responsibility to ensure that the ICB has access to sufficient radiotherapy treatment capacity?
2. Does the ICB have a plan, either internal or published, to ensure that there is a rolling programme of radiotherapy machine replacement to ensure that no machines within the area of the ICB are outside their 10-year recommended lifespan?
3. Does the ICB have a plan, either internal or published, to ensure that overall cancer treatment capacity is on target to meet the 13% extra treatment capacity specified in the NHS 2023/24 priorities and operational planning guidance. If the ICB does not have such a plan, by what date will they have one?

In response to your request, NHS Nottingham and Nottinghamshire ICB does not hold this information. NHS England commissions radiotherapy treatment and decisions on capacity and funding sit with them. You may wish to contact NHS England to request this information, information on how to do this can be found on their website via the following link - <https://www.england.nhs.uk/contact-us/foi/>

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) have an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Associate Director of Governance via [lucy.branson@nhs.net](mailto:lucy.branson@nhs.net) or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham, NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>

Yours sincerely

Freedom of Information (FOI) Officer on behalf of *NHS Nottingham and Nottinghamshire Integrated Care Board*
