Dear Requestor

RE: Freedom of Information Request

With reference to your request for information I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we partially hold the information that you have requested. A response to each part of your request is below.

In the request you asked:

- 1) Please tell me for the financial years
 - a) 2018/19,
 - b) 2019/20,
 - c) 2020/21,
 - d) 2021/22 and
 - e) 2022/23

How many times you commissioned a patient to have a tattoo removal carried out?

The ICB does hold this information however if the number is very low (5 or less) the information cannot be disclosed as it could potentially identify the individuals involved, especially if combined with other data, and this would constitute a breach of the Data Protection Act 2018. Therefore, this information is exempt from disclosure under section 40(2) of the Freedom of Information Act 2000 on the grounds that it is personal information.

As defined by the Data Protection Act, personal data constitutes as:

“Personal data” means any information relating to an identified or identifiable living individual.

“Identifiable living individual” means a living individual who can be identified, directly or indirectly, in particular by reference to -

- (a) an identifier such as a name, an identification number, location data or an online identifier, or
- (b) one or more factors specific to the physical, physiological, genetic, mental, economic, cultural or social identity of the individual

- 1) The total cost of those tattoo removals

The ICB does not hold this information. The information we hold on the number of patients that have had a tattoo removal procedure relates to cancer patients who are excluded from the ICBs Service Restriction Policy and the costs relating to tattoo removal are funded by NHS England. You may wish to contact NHS England to request this, information on how to submit a Freedom of

Information request to NHS England can be found on their website via the following link - <https://www.england.nhs.uk/contact-us/foi/>

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) have an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Associate Director of Governance via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham, NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>

Yours sincerely
