Dear Requestor

RE: Freedom of Information Request

With reference to your request for information I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information that you have requested. A response to your request is below.

In the request you asked:

I am inquiring about the commissioner at your Integrated Care Board who is responsible for cardiovascular care. Specifically, I am interested in learning more about your efforts to reduce carbon emissions, lower costs, utilise digital solutions, improve health outcomes, shorten waiting times, increase capacity, and boost participation among underserved groups in cardiovascular rehabilitation programs.

I would like to identify and potentially speak with the individual(s) who oversee cardiovascular care commissioning in your ICB. Our goal is to better understand your approach to ensuring equitable access, quality, and sustainability in CVD services. I would greatly appreciate if you could point me to the relevant commissioner(s) handling these matters.

Sarah Fleming, Programme Director for System Development currently oversees cardiovascular care commissioning in the ICB.

All ICB staff can be contacted via the contact form on the ICB website - <https://notts.icb.nhs.uk/contact-us/general-enquiries/>

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) have an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Associate Director of Governance via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham, NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>

Yours sincerely

Freedom of Information (FOI) Officer on behalf of *NHS Nottingham and Nottinghamshire Integrated Care Board*
