Dear Requestor

RE: Freedom of Information Request

With reference to your request for information I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information that you have requested. A response to your request is below.

In the request you asked:

Please find below a freedom of information request relating to the treatment of the interstitial lung disease Idiopathic pulmonary fibrosis

Question 1

Does NHS Nottingham and Nottinghamshire ICB have any local treatment guidelines, pathways or protocols for the use of human growth hormone?	Yes/No
	If Yes, please provide a copy.

For patients with a postcode from the legacy Nottingham and Nottinghamshire CCG area, there are no Nottinghamshire Area Prescribing Committee (APC) guidelines for the use of growth hormone (Somatropin) in interstitial lung disease or idiopathic pulmonary fibrosis. There is shared care guidance for other indications.

All APC guidelines are publicly available on the APC website (<https://www.nottsapc.nhs.uk/>) and can be accessed via the Joint Formulary (<https://www.nottinghamshireformulary.nhs.uk/>).

For patients with a postcode from the legacy Bassetlaw CCG area, there are two shared care guidelines for Somatropin, one for children and one for adults. The one for children also includes Somatogron.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) have an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Associate Director of Governance via lucy.branson@nhs.net or by writing to FOI Team at NHS

Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham, NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>

Yours sincerely
