Dear Requestor

RE: Freedom of Information Request

With reference to your request for information I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we do hold the information that you have requested. A response to your request is below.

In the request you asked:

We seek data related to sepsis admissions in specific hospitals across the UK. In particular, we are interested in gathering statistics about hospitals that admit the highest number of sepsis patients within the NHS areas, like Nottingham and Nottinghamshire ICB. This data is critical for our startup's strategic planning, as we intend to collaborate with these hospitals and work closely with healthcare providers in the aforementioned regions. By understanding the distribution of sepsis cases across hospitals, we can make more informed decisions on where to allocate our resources and focus our efforts to make the most significant impact. We'd like to ask for any information or statistics you may have like sepsis admissions, bed counts, etc. in these high-incidence hospitals or contacts to get into direct contact with the aforementioned facilities.

Please see below table.

- Data source is the Secondary Users Service Admitted Patient Care dataset.
- Data is included for the date range January 2019 to August 2023.
- Data includes activity at all providers for patients registered with a Nottingham and Nottinghamshire ICB GP practice.
- Included is all activity with a primary ICD-10 diagnosis recorded by the provider from the list below

Primary Diagnosis ICD A400,A401,A402,A403,A408,A409,A410,A411,A412,A413,A414,A415,A418,A419

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) have an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Associate Director of Governance via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham, NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>
