Dear Requestor

**RE: Freedom of Information Request**

With reference to your request for information I can confirm in accordance with Section 1 (1) of the Freedom of Information Act 2000 that we partially hold the information that you have requested. A response to each part of your request is below.

In the request you asked:

- 1) *Which of the following high impact intervention areas have been chosen as a priority for Nottingham and Nottinghamshire ICS this winter:*
  - *Same day emergency care*
  - *Frailty*
  - *Inpatient flow and length of stay (Acute)*
  - *Community bed productivity and flow*
  - *Care transfer hubs*
  - *Immediate care demand and capacity*
  - *Virtual wards*
  - *Urgent community response*
  - *Single point of access*
  - *Acute respiratory infection hubs*

*Nottingham and Nottinghamshire ICS has agreed to prioritise Virtual Wards, inpatient flow and single point of access. We do, however, have active transformation workstreams for each area of the Urgent and Emergency Care (UEC) recovery plan and priorities may change dependent on current challenges being faced.*

- 2) *The names of all providers responsible for operating acute respiratory hubs within Nottingham and Nottinghamshire ICS.*

*We do not hold this information as we do not have any providers operating acute respiratory hubs within the ICS.*

- 3) *Details of any contracts or agreements between the Nottingham and Nottinghamshire ICS and the providers of these services, including start and end dates.*

*We do not hold this information, please see Q2.*

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) have an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Associate Director of Governance via [lucy.branson@nhs.net](mailto:lucy.branson@nhs.net) or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham, NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>

Yours sincerely

Freedom of Information (FOI) Officer on behalf of *NHS Nottingham and Nottinghamshire Integrated Care Board*
