Dear Requestor

Re: Freedom of Information Request

Thank you for your request for information, received on 6 December 2024, regarding information that you believe should have been arrived at during the creation of the ICB infrastructure strategy. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we do hold the information requested. However, please note that all of the information you requested has been withheld. Under the FOIA, certain exemptions may apply.

Please find below our response to your request:

1. *The total estimated backlog across the ICS area.*
2. *The total estimated backlog for primary care estates across the ICS area.*
3. *The total number of primary care premises*
4. *The total percentage of 'core, flex and tail' estate across the ICS area.*
5. *The total percentage of 'core, flex and tail' estate specifically for primary care estate across the ICS area.*

I can confirm that we do hold the information requested. However, given the intended future publication of this information, NHS Nottingham and Nottinghamshire ICB has considered this request and is withholding the information requested at this present time in line with exemption in Section 22(1) of the Freedom of Information Act 2000 (FOIA).

Section 22(1) relates to information that is exempt information if -

- a) the information is held by the public authority with a view to its publication, by the authority or any other person, at some future date (whether determined or not),
- b) the information was already held with a view to such publication at the time when the request for information was made, and
- c) it is reasonable in all the circumstances that the information should be withheld from disclosure until the date referred to in paragraph (a).

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Affairs via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>

Yours sincerely

Freedom of Information (FOI) Officer on behalf of *NHS Nottingham and Nottinghamshire Integrated Care Board*
