Dear Requestor

Re: Freedom of Information Request

Thank you for your request for information, received on 3 June, regarding asylum hotels. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we do hold the information requested.

Please find below our response to your request:

How much the ICB spends a year on taxis or other forms of transport for residents of asylum hotels to attend hospital, dentist and GP appointments, and their return journeys. Please can you provide data for calendar years 2022, 2023 and 2024 and 2025 (as much as you have). Please can you also provide data for the year since the 4 July 2024.

Nottingham and Nottinghamshire ICB does not provide financial support for residents of asylum hotels to attend hospital, dentist and GP appointments, and their return journeys. The only exception for this would be where the resident is eligible for patient transport (criteria needs to be met) to get them to hospital appointments, and this would form part of the contract in situ for the whole of Nottingham and Nottinghamshire.

Please can you provide data for calendar years 2022, 2023 and 2024 and 2025 (as much as you have). Please can you also provide data for the year since the 4 July 2024.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Affairs via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and

Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board
