Dear Requestor

Re: Freedom of Information Request

Thank you for your request for information, received on 14 August 2025, regarding glycerol intoxication in children. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we do not hold the information requested.

Details of your request:

I am writing under the Freedom of Information Act regarding an article by Bothwell et al., first published in Arch Dis Child (10.1136/archdischild-2024-328109, 11 March 2024, link).

Between 2009 and 2024, have any children presented to your centre—or any NHS centre across the UK and Ireland—allegedly suffering from glycerol intoxication?

The article references “tertiary metabolic services” and “paediatricians” on page 2, suggesting that all 21 children were initially examined in emergency departments and subsequently in metabolic/paediatric clinics. Could you confirm this?

If this information cannot be confirmed, could you clarify how Professor Ellen Crushell obtained data on acute presentations where “slush iced drink-related hypoglycaemia” was diagnosed (i.e., from emergency departments, metabolic/paediatric clinics, or both)?

Our response to your request:

The ICB does not hold this information. NHS Nottingham and Nottinghamshire ICB is a commissioner of health services; it does not provide services and, as such, does not have, or, treat patients. You may wish to contact individual providers to request this and how to submit a Freedom of Information request to each provider can be found on their websites linked below.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Affairs via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board
