NN-ICB/25-1339

Dear Requestor

Re: Freedom of Information Request

Thank you for your request for information, received on 30 September 2025, regarding fracture liaison services. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we do hold the information requested.

Details of your request:

Further to NNICB FOI 25-1310, regarding the response to Question 2, please could you confirm what fracture liaison services are available in Nottinghamshire, not just Nottingham City itself, and what plans there are to expand the fracture liaison service to Nottinghamshire?

Our response to your request:

There is currently a Fracture Liaison Service commissioned within Nottingham and Nottinghamshire ICB which is delivered by CityCare and covers the City locality. Patients outside of the City locality can access treatment through their GP and/or local Acute Trusts.

Nottingham and Nottinghamshire ICB are currently developing an ICB-wide service for the treatment of this cohort of patients. Timelines for this are to be confirmed.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Affairs via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board

All information we have provided is subject to the provisions of the Re-use of Public Sector Information Regulations 2015. Accordingly, if the information has been made available for re-use under the [Open Government Licence](#) (OGL) a request to re-use is not required, but the license conditions must be met. You must not re-use any previously unreleased information without having the consent of NHS Nottingham and Nottinghamshire Integrated Care Board. Should you wish to re-use previously unreleased information then you must make your request in writing (email will suffice) to the FOI Lead via nnicb-nn.foi@nhs.net. All requests for re-use will be responded to within 20 working days of receipt.
