2) How many referrals have not been fulfilled by providers in each of the previous three calendar months in the following areas: (please include total hours for each package):		
Supported living		
Domiciliary care.		
The ICB does not hold this information.		

3) Please provide the number of children assessed as requiring complex care or domiciliary care who are currently awaiting a care package along with the average waiting time. Please specify if the complex care relates to physical care (i.e. tracheostomy) or complex by way of learning disability or mental health including autism. (Please specify children over the age of 16 (in terms of numbers of cases). We would ask that all children are included aged 4-18.

There are >5 cases (all under 16) who are waiting for a care package. The average waiting time is 145 days

4) What proportion of domiciliary care and complex care packages are commissioned via Spot Purchase and what is the total value of this? Please provide the figures for the last two years. Domiciliary care refers to providing support and personal care within the family dwelling.

2023-24 (21.0 Spot Purchase)	£12,907,503.48
2024-25 (13.4% Spot Purchase)	£12,667,004.27

5) How many clients/services currently require supported living accommodation with such needs at the time of writing this email? This can apply to people both under and over 18.

The ICB currently has 31 patients recorded as having a current supported living package.

6) Who are your current awarded providers for all homecare/supported living related packages? Please specify all providers including those that have been awarded inside a framework, but also those outside- such as spot purchase. Framework can include, PSLs, tenders or dynamic purchasing agreements. Please specify which category each provider falls into.

The list below is all of our providers currently on the contract and not suspended. I have also included those who currently have no package with us. Our current spot purchased providers are identified in question 1.
