For the avoidance of doubt, when referring to the terms 'neurological' and 'neurological care need', please include; brain injury (including acquired brain injury and traumatic brain injury), spinal injury, neuro-disabilities (including but not limited to Parkinson's disease, early-onset dementia, multiple sclerosis, motor neurone disease, Huntington's disease, cerebral palsy and epilepsy), stroke, neurobehavioural rehabilitation and cognitive rehabilitation. This list is meant as a guide and is by no means exhaustive.

Where 'neurological' or 'neurological care need' is not recorded, please provide figures for 'physical support: access & mobility only' and 'physical support: personal care support'.

For the avoidance of doubt, when referring to the term 'mental ill-health', please include; anxiety, depression, personality disorder, severe affective disorders, schizophrenia, and mental ill-health that causes challenging behaviour, all of which are to such a degree that the person experiences significant impairment and as such is unable to care for themselves independently. This list is meant as a guide and is by no means exhaustive.
