Dear Requestor

**Re: Freedom of Information Request**

Thank you for your request for information, received on 7 November 2025, regarding the ICB's FOI Disclosure Log. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we do hold the information requested.

**Please find below our response to your request:**

1. What is ICB's policy or target for the timescale for including FOI requests on the disclosure log?

The ICB does not set a specific timescale or target within its *Freedom of Information (FOI) and Environmental Information Regulations (EIR) Policy* for uploading responses to the Disclosure Log. We aim to publish responses in a timely manner.

In line with Section 19 of the Freedom of Information Act 2000, the ICB is committed to maintaining a public log of anonymised disclosures made in response to FOI and EIR requests.

2. How many completed FOI requests in 2025 are not yet published on the disclosure log?

As of 5 December 2025, there are six FOI responses to publish on the disclosure log.

3. Please provide copies of any completed requests and responses about Gynaecology Services that are not yet published on the disclosure log.

During 2025, the ICB has received one Freedom of Information request relating to gynaecology services which was received in August 2025. The response letter is available to access on our Disclosure Log, here: [NN/ICB/25-1290 - NHS Nottingham and Nottinghamshire ICB](#).

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Affairs via [lucy.branson@nhs.net](mailto:lucy.branson@nhs.net) or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board
