Dear Requestor

Re: Freedom of Information Request

Thank you for your request for information, received on 21 November 2025, regarding weight management services. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we partially hold the information requested.

Please find below our response to your request:

1. Neighbourhood Health and Innovation

- a) Please indicate whether any weight management services are being delivered in, or planned for, Neighbourhood Health Centres or equivalent neighbourhood health structures within your ICS.

The ICB does not hold this information at the current time.

- b) Please provide details of any partnerships with your local Health Innovation Network (HIN), or similar innovation/academic health science networks, relating to weight management services.

The local HIN (Health Innovation East Midlands) has carried out a horizon scan of weight-management innovations/services.

2. Funding flows and the Neighbourhood Health Model

- a) Please provide details of your Integrated Care Board's (ICB) current funding allocation for adult weight management services, including any local commissioning arrangements. Please specify whether any of these budgets are ring-fenced.

NHS Nottingham and Nottinghamshire ICB was funded, by NHS England, to commission adult weight management services for 480 eligible patients in cohort one. This budget is not ringfenced.

- b) Please indicate whether funding flows or commissioning responsibilities for weight management services are expected to change under the Neighbourhood Health Model, and if so, provide details of planned timelines or anticipated impacts.

The ICB does not hold this information at the current time.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Affairs via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board
