Dear Requestor

Re: Freedom of Information Request

Thank you for your request for information, received on 23 January 2026, regarding EPRR and primary care. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we do hold the information requested.

Please find below our response to your request:

I kindly request the following numerical information relating to EPRR and primary care. If you do not hold some of this information then please confirm explicitly that you do not hold it.

1. Since 2023, how many EPRR exercises (e.g., table-top, live-play, or discussion-based) has your ICB conducted or participated in?

34.

2. Of those exercises, in how many was primary care (e.g., general practices, Primary Care Networks, or GP representatives) actively involved?

5.

3. In the most recent EPRR Core Standards Assurance Process, how many GP surgeries (or PCNs) provided contributing evidence to the ICB?

The ICB does not require submission by Primary Care Practices in relation to EPRR Standards due to non-inclusion at this stage in the GP Standard Contract. However, the ICB does gain assurance via Business Continuity and Third Party requirements under the ICB EPRR Standards.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Affairs via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board nnicb-nn.foi@nhs.net
