Dear Requestor

**Re: Freedom of Information Request**

Thank you for your request for information, received on 28 January 2026, and your clarification received on 24 February 2026, regarding spend allocation for all providers of Cataract procedures. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we do hold the information requested.

**Details of your request:**

Is it possible to be furnished with the spend allocation for the previous financial year for all providers of cataract procedures and follow up checks (i.e. NewMedica, CHEC, ACES, SpaMedica).

**Our response to your request:**

The total ophthalmology spend by the ICB in 2024/25 was £38,082,593. This total encompasses all ophthalmology services, including cataract surgery and associated follow-up care.

We are unable to provide a breakdown of cataract-specific follow-up costs, as the ICB's financial and commissioning systems do not separately record follow-up activity at this level. Under the FOIA, public authorities are not required to create new information to respond to a request, and any attempt to isolate such data would risk generating information that could be inaccurate or misleading.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Affairs via [lucy.branson@nhs.net](mailto:lucy.branson@nhs.net) or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board [nnicb-nn.foi@nhs.net](mailto:nnicb-nn.foi@nhs.net)
