1. How many adults do you have waiting for an ADHD diagnosis at the moment?

The ICB does not currently hold this information. The commissioned provider is undertaking a data cleansing exercise to ensure the accuracy and completeness of the data.

2. How many adults were given an ADHD Assessment in the last year (1st April 2025 - 31st March 2026).

The ICB does not currently hold this information due to changes in reporting arrangements. It is anticipated that this data will become available later in the 2026/27 reporting period.

5. Do you have any indicative activity plans in place for Right to Choose ADHD Adult Assessment providers?

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>.
