Dear Requestor

Re: Freedom of Information Request

Thank you for your request for information, received on 12 May 2026, regarding ophthalmology anti-VEGF and Wet AMD services. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we do hold the information requested.

Details of your request:

Regarding the commissioning of Anti-VEGF or Wet AMD services, I understand from previous FOI requests and publications that you commission these services from a number of NHS trusts as well as private providers of NHS care e.g. SpaMedica in Newark and NewMedica in Nottingham.

For each provider, can you share a redacted copy of the contract particulars including:

- the award mechanism used,
- the current contract expiry date and
- renewal terms open to the commissioner.

Our response to your request:

The ICB does not commission Independent Sector Providers for Anti-VEGF or Wet AMD services. These treatments are commissioned exclusively from Nottingham University Hospitals NHS Trust, see details below:

NHS Trust	The award mechanism used	The current contract expiry date	Renewal terms open to the commissioner
Nottingham University Hospitals NHS Trust	Awarded a contract under PSR Direct Award A process	30 March 2030	NHS contract will be subject to review closer to its expiration date

For information, the other acute trusts within the Nottinghamshire area, Sherwood Forest Hospitals NHS Foundation Trust, and Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust, contract particulars do not include elements specific to Wet AMD or Anti-VEGF.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Governance and Assurance via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board nnicb-nn.foi@nhs.net
