Dear Requestor

Re: Freedom of Information Request

Thank you for your request for information, received on 15 May 2026, regarding ADHD and Autism (ASD) diagnostic services. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we partially hold the information requested. However, please note that some of the information you requested has been withheld.

Details of your request:

Under the Freedom of Information Act 2000, please provide the following data regarding ADHD and Autism (ASD) diagnostic services within this ICB for the financial year 2025/26 (to date) [and 2024/25 if available].

If data is not held for this specific year, please provide the most recent period for which data is available or, as Bristol did (see below), their 'current rate'.

1. Locally Commissioned NHS Services For your primary NHS-commissioned providers (Trust-led services), please provide the 'conversion rate' (the percentage of completed assessments that resulted in a formal diagnosis) for:
 - a) Children & Young People (CYP) Autism
 - b) Children & Young People (CYP) ADHD
 - c) Adult Autism
 - d) Adult ADHD

2. Right to Choose (RTC) / Independent Providers For assessments funded by the ICB via the 'Right to Choose' pathway, please provide the aggregate 'conversion rate' for:
 - a) CYP Autism
 - b) CYP ADHD
 - c) Adult Autism
 - d) Adult ADHD

Note: If your records for RTC providers do not distinguish between age groups, please provide the total aggregate conversion rate for the condition regardless of age (e.g., Autism all-ages).

3. Raw Data: If a calculated percentage is not held, please provide the disaggregated raw volume data:
- a) Total number of diagnostic assessments completed.
 - b) Total number of positive diagnoses issued. (Please provide this breakdown by Local NHS Providers vs. Independent/RTC Providers).

Our response to your request:

Please see attached Excel spreadsheet, as requested.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Governance and Assurance via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board nnicb-nn.foi@nhs.net

All information we have provided is subject to the provisions of the Re-use of Public Sector Information Regulations 2015. Accordingly, if the information has been made available for re-use under the [Open Government Licence](#) (OGL) a request to re-use is not required, but the license conditions must be met.
