Dear Requestor

Re: Freedom of Information Request

Thank you for your request for information, received on 28 May 2026, regarding hospital admissions of patients in custody. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we do not hold the information requested.

Details of your request:

I would like to request the following information under the Freedom of Information Act 2000, relating to hospital admissions of patients recorded as being in custody or transferred from a HM Prison Service establishment within your catchment area.

For the period from 1 January 2023 to the most recent date available, please provide:

1. The total number of inpatient admissions where the patient was recorded as being in custody or transferred from a HM Prison Service establishment.
2. For each admission, or in aggregate if individual records cannot be provided:
 - The patient's recorded gender
 - The patient's recorded ethnicity
 - The primary diagnosis or reason for admission, recorded by ICD-10 code or category
 - The specialty or department to which the patient was admitted (e.g. emergency medicine, general surgery, cardiology)

Our response to your request:

The ICB does not hold the information you have requested.

This is because the data relating to inpatient admissions of patients recorded as being in custody, or transferred from HM Prison Service establishments, including associated clinical and demographic details, is held by the individual NHS provider organisations responsible for delivering acute and mental health services.

You may wish to contact individual providers to request this and how to submit a Freedom of Information request to each provider can be found on their website links below:

- Nottingham University Hospitals NHS Trust - <https://www.nuh.nhs.uk/freedom-of-information>
- Sherwood Forest Hospitals NHS Foundation Trust - [Freedom of Information | Sherwood Forest Hospitals](#)

- Nottinghamshire Healthcare NHS Foundation Trust - <https://www.nottinghamshirehealthcare.nhs.uk/c-freedom-of-information>.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Governance and Assurance via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board nnicb-nn.foi@nhs.net

All information we have provided is subject to the provisions of the Re-use of Public Sector Information Regulations 2015. Accordingly, if the information has been made available for re-use under the [Open Government Licence](#) (OGL) a request to re-use is not required, but the license conditions must be met.
