Dear Requestor

Re: Freedom of Information Request

Thank you for your request for information, received on 5 June 2026, regarding the local rollout and implementation of the Federated Data Platform (FDP), provided by Palantir Technologies. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we partially hold the information requested.

Details of your request:

In January 2026 NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) responded to an FOI which confirmed that it is currently using elements of the Federated Data Platform. In response to questions about plans for the FDP roll out, you responded that such matters are not considered through dedicated implementation committees at the ICB. However, we are aware that local Trusts will be represented at 'FDP system meetings' on a regular basis. Please can you provide us with the following information:

1. Is the ICB represented at the 'FDP system meetings'?
2. Please can you release all 'FDP system meeting' agendas, minutes and their attachments that you hold for financial years 25-26 and 26-27?

Our response to your request:

[Question 1](#)

The ICB may be represented at NHS England-led Federated Data Platform (FDP) system meetings from time to time, depending on agenda relevance and operational priorities. Attendance is not on a fixed or standing basis and is determined on a meeting-by-meeting basis.

[Question 2](#)

We can confirm that the ICB does not hold the requested information.

The FDP system meetings, including associated agendas, minutes and papers, are convened, chaired and administered by NHS England. While ICB representatives may attend these meetings in a participant capacity, the ICB is not the meeting organiser and does not routinely receive, store, or retain formal agendas, minutes, or attachments as corporate records for the financial years requested.

Accordingly, the information requested is not held by the ICB for the purposes of the Freedom of Information Act 2000 (Section 1(1)).

Advice and assistance (Section 16 FOIA):

Under Section 16 of the FOIA, we are required to provide advice and assistance where reasonable. As these meetings are led and coordinated by NHS England, any agendas, minutes, or associated papers are more likely to be held by NHS England.

You may therefore wish to redirect your request to NHS England via their Freedom of Information process. [NHS England » NHS Federated Data Platform](#) or [NHS England » Freedom of Information Act and Environmental Information Regulations](#).

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Governance and Assurance via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board nnicb-nn.foi@nhs.net
