Dear Requestor

Re: Freedom of Information Request

Thank you for your request for information, received on 11 June 2026, regarding Indicative Activity Plans (IAPs). We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we do hold the information requested.

Details of your request:

Regarding the ICB's response to FOI 26-1571, to questions 1 and 2, please can I check whether there are any minimum waiting times within your Indicative Activity Plans (IAPs) and Activity Planning Assumptions for NHS or Independent providers carrying out elective care?

Questions from FOI 26-1571:

1. Does the integrated care board have any policy in place for a minimum wait for treatment for elective procedures?

No, the ICB does not have any policy in place for a minimum wait for treatment for elective procedures.

2. If yes to question 1, please provide details of the policy.

Not applicable.

Our response to your request:

There are no Nottingham and Nottinghamshire ICB minimum waiting times within the Indicative Activity Plans (IAPs) and Activity Planning Assumptions for NHS or Independent providers carrying out elective care.

Relevant national frameworks and operational documents governing elective care wait times are fully transparent and publicly accessible via the official NHS England (NHSE) website - [NHS England » National elective access policy](#).

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Governance and Assurance via lucy.branson@nhs.net or by writing to FOI

Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: <https://ico.org.uk/for-the-public/>.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via <https://ico.org.uk/concerns/>.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board nnicb-nn.foi@nhs.net
