Dear Requestor

Re: Freedom of Information Request

Thank you for your request for information, received on 18 June 2026, regarding commissioning, funding and delivery of technology-enabled care and remote monitoring services. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we partially hold the information requested.

Please find below our response to your request:

1. Current Services

Please provide details of all technology-enabled care services currently commissioned, funded or supported by the ICB.

For each service, please provide:

- Service name.
- Brief description of the service.
- Patient population supported.
- Delivery setting (e.g. home, care home, community, primary care, virtual ward, hospital-at-home).
- Date the service commenced.
- Whether the service is a pilot, transformation programme or established commissioned service.

The ICB does not currently commission, fund or support any technology enabled care services.

2. Patient Cohorts

For each service identified above, please describe:

- The eligibility criteria.
- The primary patient groups supported.
- The approximate number of patients supported annually.

Not applicable. Please see response to question 1.

3. Commissioning and Funding

For each service identified above, please provide:

- The commissioning team responsible for the service.
- The budget holder responsible for the service.
- The funding source used to support the service.
- Whether the service is commissioned directly by the ICB or through another organisation.

Not applicable. Please see response to question 1.

4. Delivery Model

For each service identified above, please provide:

- The lead provider organisation responsible for delivering the service.
- Any technology providers supporting the service.
- Whether the technology is procured by the ICB, the provider organisation or another party.

Not applicable. Please see response to question 1.

5. Contract Information

For each technology provider identified, please provide:

- Supplier name.
- Contract start date.
- Contract end date.
- Annual contract value.
- Total contract value.
- Procurement route used.
- Whether extension options are available.
- Expected renewal or re-procurement date.

Where exact contract values are exempt from disclosure, please provide the value band used internally for reporting purposes.

Not applicable. Please see response to question 1.

6. Future Plans

Please provide details of any planned procurements, service developments, market engagement exercises, business cases or pilot programmes relating to technology-enabled care that are currently under consideration or development.

The ICB has no planned procurements, service developments, market engagement exercises, business cases or pilot programmes relating to technology-enabled care that are currently under consideration or in development.

7. Responsible Roles

Please provide the job titles of the roles with responsibility for:

- Commissioning technology-enabled care services.
- Commissioning community-based services.
- Commissioning complex care services.
- Commissioning Continuing Healthcare services.
- Commissioning urgent and emergency care services.
- Digital transformation.
- Procurement.

NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) is currently transitioning into a cluster arrangement with NHS Derby and Derbyshire ICB and NHS Lincolnshire ICB. As a result, the organisational structures and responsibilities for a number of commissioning functions are currently under review, and the specific job titles for all of the roles listed in your request have not yet been finalised.

At the time of this response, we can confirm the following:

- Director of Digital Transformation – Andrew Fearn, who leads digital services and transformation across the Derbyshire, Lincolnshire and Nottinghamshire ICB cluster.
- Director of Quality, Safeguarding, Continuing Healthcare and Partnerships – Jo Hunter, who leads these functions across the Derbyshire, Lincolnshire and Nottinghamshire ICB cluster.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Governance and Assurance via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: https://ico.org.uk/for-the-public/.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via https://ico.org.uk/concerns/.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board nnicb-nn.foi@nhs.net
