Dear Requestor

Re: Freedom of Information Request

Thank you for your request for information, received on 22 June 2026, regarding GP Board members. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we do hold the information requested.

Details of your request:

1. How many current board members are qualified General Practitioners (GP)?
2. How many current board members have experience working within primary care? (Please include the GPs counted in Question 1 within this total).
3. How many current board members are secondary care doctors?
4. How many current board members have experience working within secondary care (Please include doctors counted in Question 4 within this total).

Our response to your request:

Information about the professional backgrounds and experience of our Board members is publicly available within the Board member biographies published on our website. These biographies include details of members' professional qualifications and experience, including relevant experience within primary and secondary care.

The information requested can therefore be accessed from the Board member biographies on our website at Our Board - NHS Nottingham and Nottinghamshire ICB.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Governance and Assurance via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations

under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: https://ico.org.uk/for-the-public/.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via https://ico.org.uk/concerns/.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board nnicb-nn.foi@nhs.net
