Dear Requestor

Re: Freedom of Information Request

Thank you for your Freedom of Information request received on 26 June 2026 regarding information on apps and/or dashboards adopted by NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) as part of the Federated Data Platform (FDP) rollout. We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA). The information held by the ICB in response to your request is set out below.

For clarity, some FDP functionality referred to in this response is available or being developed within shared working arrangements across the Derby, Derbyshire, Lincolnshire and Nottinghamshire (DLN) Cluster (which is made up of NHS Derby and Derbyshire ICB, NHS Lincolnshire ICB and NHS Nottingham and Nottinghamshire ICB). Where functionality is shared or still being progressed for Nottingham and Nottinghamshire ICB, this is identified in the response.

Our response to your request:

1. Current FDP availability and use

Is the Federated Data Platform currently live at your ICB, where live means having the platform available for the ICB to use, known as a local instance?

Yes. The Federated Data Platform is live and available for use by NHS Nottingham and Nottinghamshire Integrated Care Board.

1(a)(i) FDP apps, dashboards and analytical tools currently being used

The ICB currently uses, has access to, or is progressing access to the following FDP functionality:

Category	Functionality	Position
Apps	FDP Strategic Commissioning Tool (SCT)	Nottingham and Nottinghamshire ICB access to the Strategic Commissioning Tool functionality is in progress.
Dashboards / FDP environment	Performance Overview Dashboard	This is not a dashboard in the traditional sense. It is a project within the FDP environment which provides access to nationally available aggregated data and enables the development of local dashboards.

Data processing environment	Commissioning Delivery Dashboard	Uses Nationally available Commissioning data as a data processing environment supporting commissioning delivery across the DLN Cluster.
Analytical tools	Contour and reports	Available within the FDP environment.
Analytical tools	Code repositories	Available within the FDP environment.
Analytical tools	Code workbook	Available within the FDP environment.
Analytical tools	Pipeline Builder	Available within the FDP environment.
Analytical tools	Jupyter / VS Code	Available within the FDP environment.

1(a)(ii) Date each app, dashboard or analytical tool went live or became available to staff

The dates available to the ICB are as follows:

FDP functionality	Date available / position held
Performance Overview Dashboard	29 October 2024
FDP Strategic Commissioning Tool (SCT)	Nottingham and Nottinghamshire ICB access in progress; no Nottingham and Nottinghamshire ICB go-live date is currently held.
Commissioning Delivery Dashboard	In use as a DLN Cluster data processing environment; no discrete Nottingham and Nottinghamshire ICB go-live date is currently held.
Contour and reports	Available within the FDP environment; no separate go-live date for this tool is currently held.
Code repositories	Available within the FDP environment; no separate go-live date for this tool is currently held.
Code workbook	Available within the FDP environment; no separate go-live date for this tool is currently held.
Pipeline Builder	Available within the FDP environment; no separate go-live date for this tool is currently held.
Jupyter / VS Code	Available within the FDP environment; no separate go-live date for this tool is currently held.

1(a)(iii) FDP apps, dashboards and analytical tools intended to be trialled or rolled out in future

The ICB is considering the following future FDP developments:

- RStudio
- Modelling Objectives
- Future dashboard development, as required to support commissioning and analytical needs

1(a)(iv) Proposed rollout dates

There are currently no fixed rollout dates held by the ICB for these developments. Any future deployment will be progressed as the need arises and following appropriate consideration of requirements, technical feasibility and governance arrangements.

1(b) If the FDP is not live

Not applicable, as the FDP is live and available for use by NHS Nottingham and Nottinghamshire ICB.

2. Functionality considered, trialled, rolled back or discontinued

Are there any FDP apps, dashboards or analytical tools that your ICB has trialled or considered implementing but decided not to adopt, or rolled back/are no longer using?

Following reasonable searches with relevant teams, the ICB has not identified any recorded information within scope of this part of your request. The ICB, therefore, does not hold recorded information confirming that any FDP apps, dashboards or analytical tools have been trialled and subsequently not adopted, rolled back, or discontinued.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Governance and Assurance via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: https://ico.org.uk/for-the-public/.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via https://ico.org.uk/concerns/.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board nnicb-nn.foi@nhs.net

All information we have provided is subject to the provisions of the Re-use of Public Sector Information Regulations 2015. Accordingly, if the information has been made available for re-use under the Open Government Licence (OGL) a request to re-use is not required, but the license conditions must be met. You must not re-use any previously unreleased information without having the consent of NHS Nottingham and Nottinghamshire Integrated Care Board. Should you wish to re-use previously unreleased information then you must make your request in writing (email will suffice) to the FOI Lead via nnicb-nn.foi@nhs.net. All requests for re-use will be responded to within 20 working days of receipt.
