Thank you for your request for information, received on 29 June 2026, regarding guidelines for the treatment of Immune thrombocytopenia (ITP). We have processed your request in accordance with the Freedom of Information Act 2000 (FOIA).

Under the FOIA, public authorities like ours are required to respond to requests for information within 20 working days. In response to your request, I can confirm that we do not hold the information requested.

Details of your request:

Does NHS Nottingham & Nottinghamshire ICB have any local guidelines/protocols for the treatment of Immune thrombocytopenia (ITP)?

Our response to your request:

NHS Nottingham and Nottinghamshire Integrated Care Board does not hold any local guidelines or protocols relating to the treatment of Immune Thrombocytopenia (ITP).

Advice and Assistance (Section 16 Freedom of Information Act 2000)

In accordance with Section 16 of the Freedom of Information Act 2000, the ICB is able to provide advice and assistance to help you identify organisations that may hold the information you are seeking.

As the management and treatment of ITP is undertaken by specialist clinical services, any local treatment guidelines are more likely to be held by the relevant NHS provider organisations. You may therefore wish to contact the following NHS trusts directly:

- Nottingham University Hospitals NHS Trust - https://www.nuh.nhs.uk/freedom-of-information
- Sherwood Forest Hospitals NHS Foundation Trust - Freedom of Information | Sherwood Forest Hospitals
- Doncaster and Bassetlaw Teaching Hospitals NHS Foundation Trust - https://www.dbth.nhs.uk/contact/freedom-of-information/.

If you are unhappy with the way in which your request has been handled, NHS Nottingham and Nottinghamshire Integrated Care Board (ICB) has an internal review procedure through which you can raise any concerns you might have. Further details of this procedure can be obtained by contacting Lucy Branson, Director of Corporate Governance and Assurance via lucy.branson@nhs.net or by writing to FOI Team at NHS Nottingham and Nottinghamshire ICB, Sir John Robinson House, Sir John Robinson Way, Arnold, Daybrook, Nottingham NG5 6DA.

If you remain dissatisfied with the outcome of the internal review, you can apply to the Information Commissioner's Office (ICO), who will consider whether the organisation has complied with its obligations under the Act and can require the organisation to remedy any problems. Generally, the ICO cannot make a decision unless you have exhausted the complaints procedure provided by NHS Nottingham and Nottinghamshire ICB. You can find out more about how to do this, and about the Act in general, on the Information Commissioner's Office website at: https://ico.org.uk/for-the-public/.

Complaints to the Information Commissioner's Office should be sent to:

FOI/EIR Complaints Resolution, Information Commissioner's Office, Wycliffe House, Water Lane, Wilmslow, Cheshire, SK9 5AF. Telephone 0303 123 1113 or report a concern via https://ico.org.uk/concerns/.

Yours sincerely

Freedom of Information (FOI) Officer on behalf of NHS Nottingham and Nottinghamshire Integrated Care Board nnicb-nn.foi@nhs.net
